A REAL pal—that's Chesterfield. Look at its record. Three million smokers—less than five years on the market! Two words explain it—"They Satisfy."

Our expert buyers in the Orient select for Chesterfields only the finest grade of the four choicest varieties of Turkish tobacco. To these are added the best of mild but full-bodied Domestic leaf.

But, in the end, it's the blend that makes Chesterfields "satisfy." And the blend—our private formula—cannot be copied.

Extra wrapper of moisture-proof paper seals in the flavor.
